One, two, three, four, five

Música infantil

A. Jurado-Navas

One, two, one, two, three, one, two, three, four, fi - ive. One, two, one, two, three,

one, two, three, for, five. Mu - mmy has fi -ive fin - gers, so do I.

With my thumb I can tell you: "that is right!". With my hand and a pen

I can draw and write. On the sheet, you can see how I dream and fly.
